- 3- Now sign-in to your account, and choose your verification method, to authenticate your account, please follow the steps in login tutorial in the guide:

EU_login_tutorial.pdf

- 4- Once you authenticate your account, open <https://webgate.ec.europa.eu/sdmxconverter>.
- 5- congratulations, you now have access to Eurostat SDMX Converter web application.

The screenshot shows the SDMX Converter web application interface. At the top, there is a navigation bar with links for 'SDMX Converter', 'Home', 'Sdmx', 'GlobalRegistry', and 'Eurostat'. Below this, the main interface is divided into two columns. The left column, titled 'Navigation', contains three buttons: 'Input' (highlighted in blue), 'Structure selection', and 'Result'. The right column, titled 'Operation', contains three radio buttons: 'Convert', 'Validate' (selected), and 'Convert and Validate'. Below the 'Operation' section is the 'Input' section, which includes a 'Files*' upload area with a 'Drop files here to upload' message, an 'Input Format' dropdown menu set to 'COMPACT_SDMX' with a 'Detect Format' button, and a 'Maximum Errors Displayed' input field set to '100'. At the bottom of the interface, there is a 'Load Template' checkbox and a footer bar with 'Reset', 'Prev', and 'Next' buttons.
