1. *Background information*

The Committee on Women was established pursuant to Economic and Social Commission for Western Asia (ESCWA) resolution [240 \(XXII\)](#) of 17 April 2003, which was endorsed by the United Nations Economic and Social Council in its resolution [2003/9](#) of 18 July 2004. The mandate of the Committee includes participating in defining priorities for women-related programmes and activities and in formulating the programme of work of ESCWA in the area of advancement and empowerment of women; monitoring developments in the situation of women and relevant indicators and statistics in ESCWA member States; and following up on international and regional conferences and coordinating regional efforts to implement resulting resolutions and recommendations.

The Committee on Women holds its sessions biennially. Its ninth session was held in Amman, on 26 and 27 November 2019.

2. *Date and venue*

In view of the current health situation, the session may also be attended online for those who prefer to participate virtually. Participants will be provided with the link to the meeting by e-mail.

3. *Participants*

Participants include representatives of national women's machineries and line ministries as well as councils and governmental organizations on women in member States. Representatives of Arab States not members of ESCWA were also invited to attend the session as observers, as well as representatives of the League of Arab States, the Arab Women's Organization, the United Nations Entity for Gender Equality and the Empowerment of Women (UN-Women), United Nations programmes and specialized agencies, and relevant civil society organizations.

4. *Organization of work and adoption of recommendations*

In accordance with the session's hybrid environment, the ESCWA secretariat will provide the necessary support to facilitate proceedings and allow sufficient time for discussions. It will prepare draft recommendations, emanating from the documents presented, and forward them in advance to the heads of participating delegations for their review and written comments. The secretariat will add to the draft recommendations emanating from the discussions and will present them at the closing meeting for adoption.

5. *Visas*

Participants may obtain entry visas to Lebanon through the Lebanese Embassy in their respective countries. It is recommended to attach the invitation letter sent by ESCWA to the visa application. Participants who need assistance in this matter should send a scanned colour copy of their passport containing all the required information to the secretariat as early as possible.

Information on Lebanese visa and entry requirements are available at:
<http://www.general-security.gov.lb/en/posts/159>.

6. *Travel, accommodation and mobility costs*

As part of the workshop "ESCWA toolkit to support States in designing national policies that mainstream gender equality and women's empowerment concerns", which will be held during the session, the ESCWA secretariat will make the necessary arrangements for the travel of two participants from each ESCWA member State, in terms of flight reservation and ticket issuance.

The ESCWA secretariat suggests that participants make reservations at hotels close to ESCWA headquarters in Beirut. The secretariat has prepared a list of hotels offering preferential rates and will send it to participants by email. To benefit from the preferential rate, participants may wish to inform the hotel that they are participating in the tenth session of the Committee on Women.
