

**Economic and Social Commission for Western Asia (ESCWA)**

Statistical Committee  
Fifteenth session  
Beirut, 16-17 November 2022

Item 4 of the provisional agenda

**Activities implemented in the field of statistics**

Item 4 of the provisional agenda contains five sub-items for discussion by the Statistical Committee with reference to the following documents:

1. Implementation of activities under the ESCWA programme plan and of recommendations made by the Statistical Committee at its fourteenth session to the ESCWA secretariat (E/ESCWA/C.1/2022/3(Part I)).
2. Technical cooperation activities (E/ESCWA/C.1/2022/3(Part II)).
3. Implementation of recommendations made by the Statistical Committee at its fourteenth session to member States (briefings by State representatives).
4. Activities of the Technical Advisory Group on Demographic and Social Statistics (E/ESCWA/C.1/2022/3(Part III)).
5. Activities of the Technical Advisory Group on Economic Statistics (E/ESCWA/C.1/2022/3(Part IV)).

All activities undertaken by the ESCWA secretariat in the field of statistics are interlinked under an integrated framework that includes normative work, technical cooperation activities, and building consensus in specialized technical groups. Those various activities have been presented separately under the five sub-items for clarity, and to avoid duplication in reporting on implementation.
