

Update on the 1st UN Food Systems Stocktaking Moment

Planning for the Stocktaking Moment of 2023

“I will convene a global stocktaking meeting every two years to review progress in implementing the outcomes of this process and its contributions to the achievement of the 2030 Agenda. This will be supported by the RBAs, the broader UN System and partners.”

-UN Secretary General Statement of Action, FFS

Dates: 24-26 July in FAO HQ, Rome

Modality: A UNSG event, hosted by Italy in collaboration with the RBAs and the Hub.

Main objective: Give space to countries to review with the UN, EoS and stakeholders progress on implementing their food system transformations/ changes, identify bottlenecks and support needed.

Outcome: Solidify the global understanding of the role of food systems in achieving the SDGs, especially in the context of the current food and cost-of-living crisis.
