# National Circular Economy Roadmap

---

# It's a Given – catch the train!

Pillar #3 – Sustainability

Element #1: Renewable Energy

Element #3 : Increasing Environmentally friendly activities

Jordan's-  
EMV

Implementation driver #7  
– Green Jordan

Green Economy (Launching Jordan Green Jobs Initiative)

Green Urban Development (Net zero Buildings)

Green Sectors Growth (renewable energy leader & **Circular economy industrial practices**)

## Project Objectives:

The aim of the project is to enhance a nation-wide transition in the economy to a more promising and tangible circular model which enables social justice, equity, job creation, research & innovation, and health & environment protection.
