

4 (I). Technical co-operation activities

The Economic Commission for Western Asia

1. Requests the Executive Secretary to hold consultations with the specialized agencies and other organizations or organs in the United Nations system, as well as with Governments of the member States of the Commission as appropriate, with a view to submitting to the Commission at its next regular session a report on ways and means of:

(a) Ensuring the highest level of effectiveness and the maximum possible co-ordination of effort in the technical co-operation activities in the region;

(b) Delegating to ECWA the authority for the execution of projects within the competence of the United Nations;

2. Further requests the Executive Secretary to include in the report his recommendations on the subject.
