Commitment on improved Transboundary/Regional Cooperation on water

Team Europe Initiatives

Transboundary Water Management in Africa

Water, Energy and Climate Change in Central Asia

**Transboundary
Water Cooperation
Coalition**

TEI in Africa

- Continental policies and knowledge on water resources management
- Cooperation and peer learning with transboundary basin bodies
- IWRM and WEFE nexus approaches
- Investments for economic development and regional integration
- African body to advise continental, regional, and basin organisations on transboundary actions

TEI in Central Asia

- Regional investments for blue and green transition
- Regional cooperation and governance for sustainable development
