The Global Compact for Safe, Orderly, and Regular Migration Guiding principles, objectives, and policy implications for the Arab region

Sara Salman, PhD

Regional Advisor on Population Affairs

The GCM

10 Guiding Principles	The principles underline the common understating of migration and shared responsibility to make migration work for all
23 Objectives	23 Objectives that offer a roadmap for achieving safe, orderly, and regular migration
Implementation	Implementation of the GCM requires concerted efforts at global, regional, national and local levels, including a coherent United Nations system
Follow up & review	Countries committed to conducting regular follow up and review of the progress made at local, national, regional and global levels in implementing the GCM

10 Guiding Principles

- People Centered
- Whole of Society
- International Cooperation
- Whole of Government
- National Sovereignty
- Child sensitive
- Rule of Lw
- Gender responsive
- Sustainable Development
- Human Rights

23 OBJECTIVES

1. Data for evidence based policies	2. Minimize adverse drivers of migration	3. Provide migrants with information	4. migrants have proof of legal identity& documentation	5. Availability of regular migration pathways
6. Facilitate fair and ethical recruitment	7. Reduce vulnerabilities in migration	8. Save lives	9. Prevent and counter smuggling migrants	10. Combat trafficking in persons in

	21. Dignified return and readmission	22. Portability of social security	23. International cooperation	

A Whole of Society Approach

The whole of society approach

21 of 23 Objectives clearly stipulate the need for a whole of society cooperation to achieve the objectives particularly regarding:

- **Data Collection**
- **Partnership building**
- **Supporting the implementation**
- **Capacity building**
- **Policy development**
- **FUR**

RCPs are key stakeholders that foster peer learning, exchange of experiences and good practices, and build partnerships.

Policy implications for the region:

- Developing and reforming migration governance frameworks

- Protecting and enabling vulnerable migrants

- Minimizing the adverse drivers of migration

- Ensuring a whole of society approach to migration governance

- Data, Data, Data !

Thank you
