

Support negotiations of an agreement

Develop capacity on data and tools for cooperation

What commitments will you bring to the UN 2023 Water Conference?

Ease access to finance for implementation

Support interested countries to accede to water conventions

Promote access to finance for basin organizations

Support setting up a basin or aquifer organization

Fund research on conflicts, water and peace

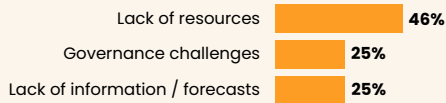

Support source-to-sea approach

Fund joint infrastructure in shared basins

Did you know?

Joint bodies face many operational difficulties.

Your international organization can make a difference.

Submit your commitment on transboundary cooperation to the Water Action Agenda
