22-23 April 2024

Shared Prosperity **Dignified Life**

Overview

The discussion will focus on which organizations/agencies are best suited to lead or support on a particular indicator and/or activity.

Then we will look at opportunities for collaboration between governmental and non-governmental organizations, as well as UN agencies.

Roles and Responsibilities, Step I

Service Provision for Survivors →

Access to Justice for Survivors →

Norms Change and Awareness Raising →

In Which
Outcome Does
Your Ministry /
Agency /
Organization
Work in
Somalia?

Roles and Responsibilities, Step II

Service Provision for Survivors

Responsive referral pathways are available for survivors

Survivors are aware of services

Women and girls have access to education, economic and skill building opportunities

Diverse forms of data on VAWG are collected

Access to Justice for Survivors

Legislation and policies on VAWG are inline with international standards and good practice

Skills, knowledge and capacity of policing and justice providers enhanced

Increased coordination between Federal Government and FMS

Survivors are aware of justice pathways

Norms Change and Awareness Raising

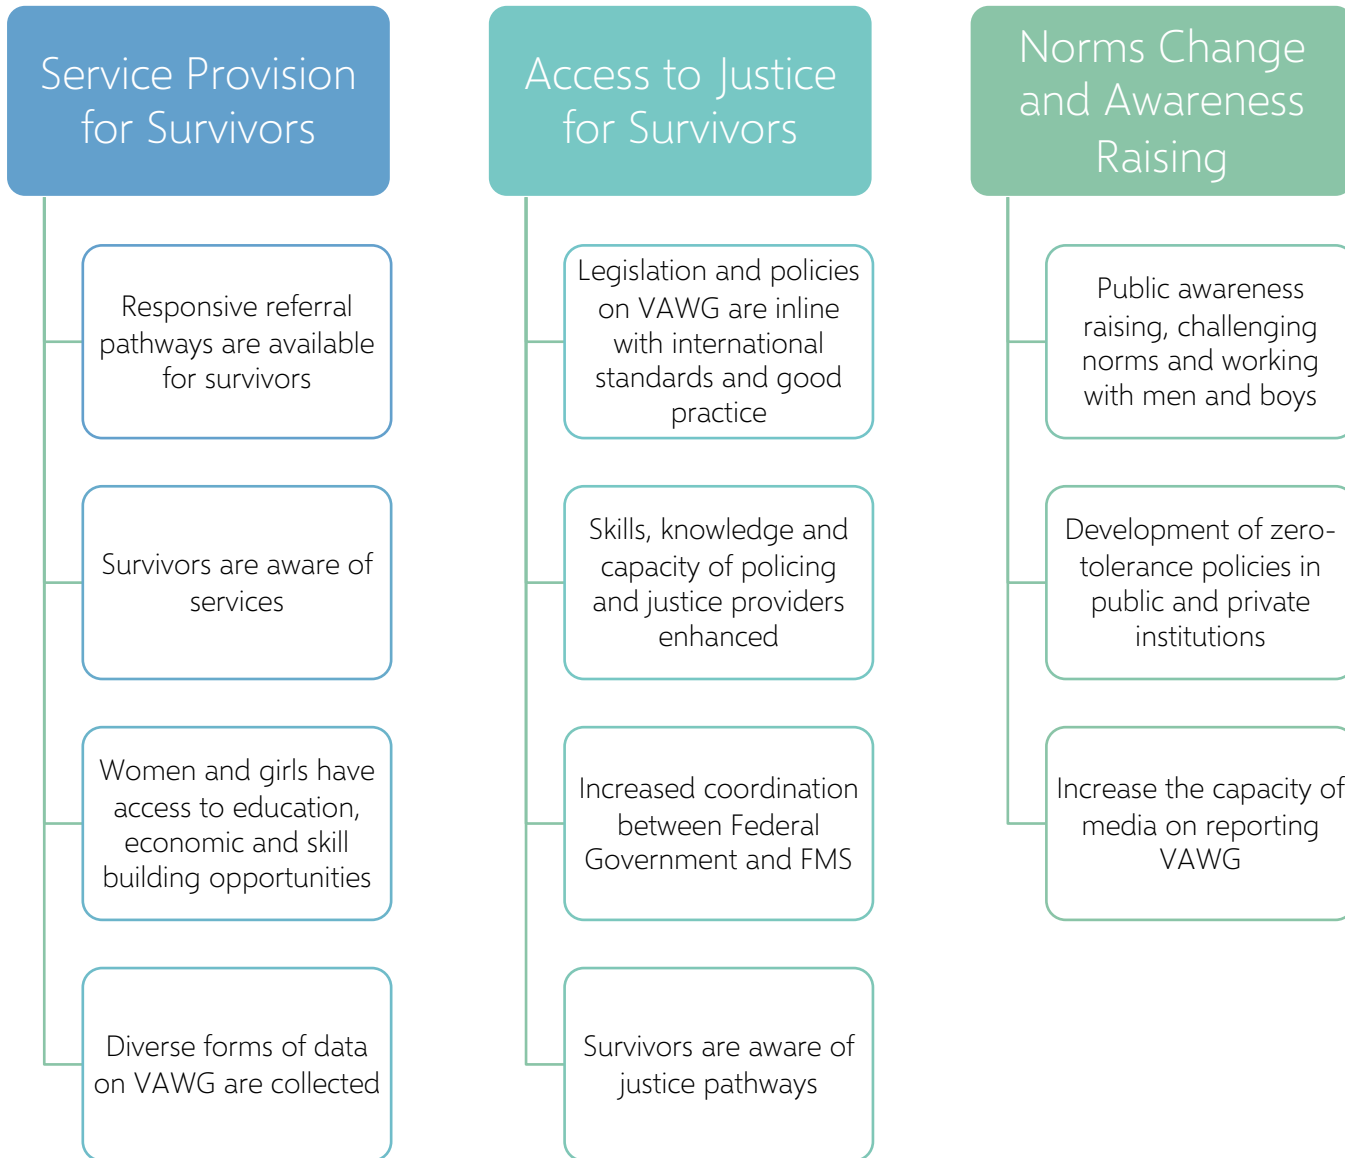

Public awareness raising, challenging norms and working with men and boys

Development of zero-tolerance policies in public and private institutions

Increase the capacity of media on reporting VAWG

What Specific Role(s) Does Your Ministry / Agency / Organization Have for Each Output?

Roles and Responsibilities, Step III

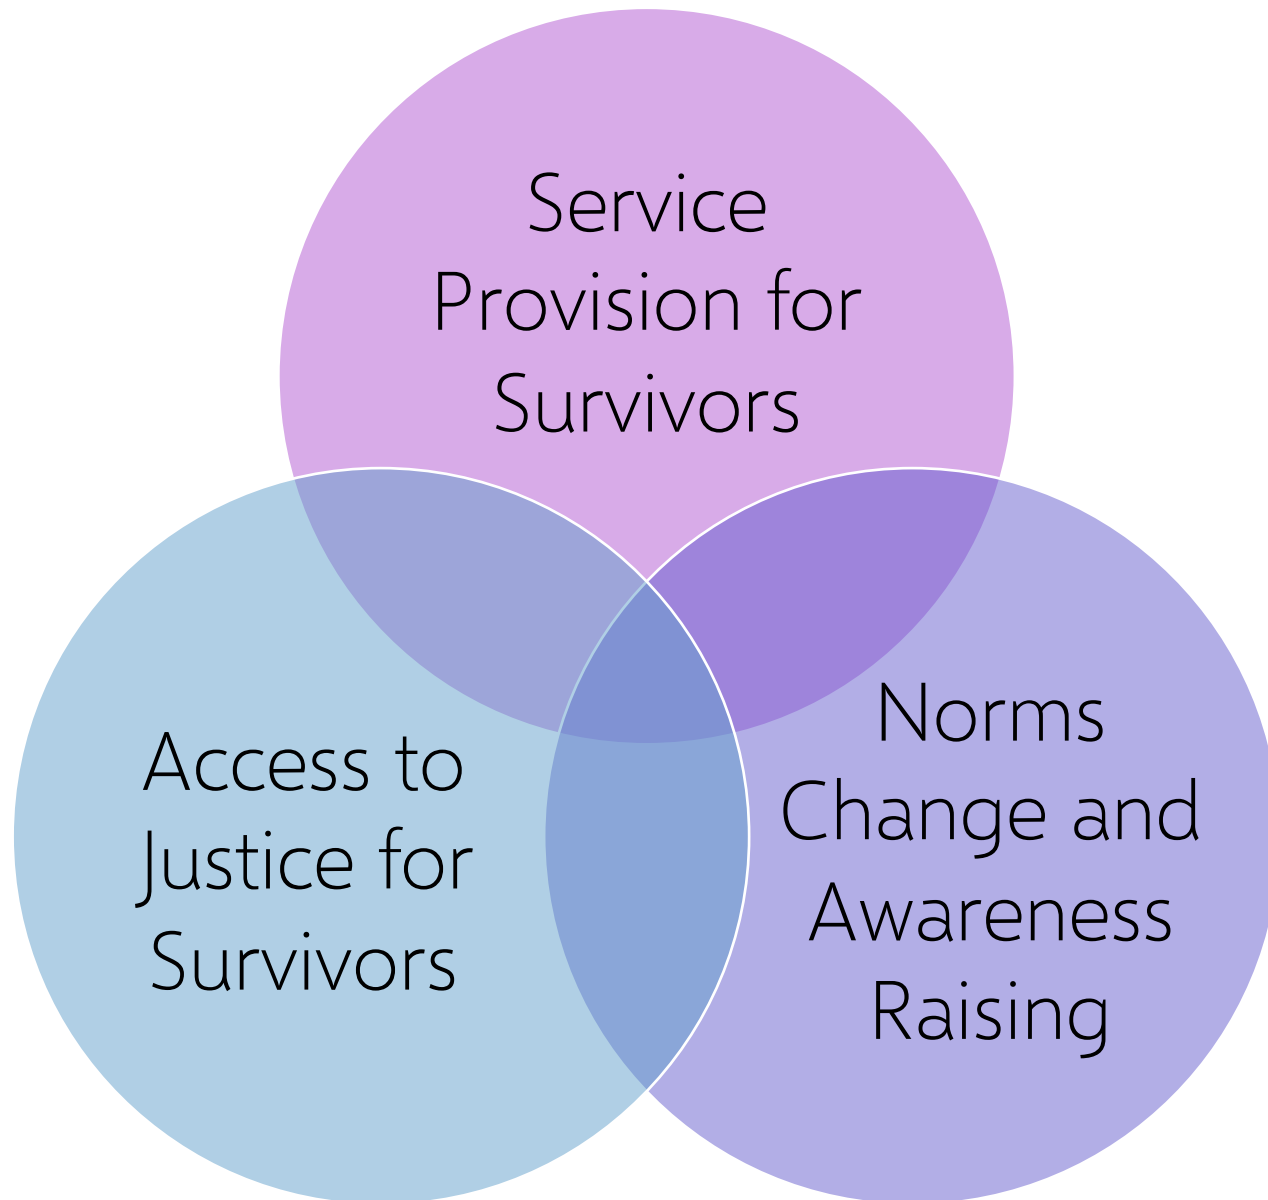

Group Discussion:

Who should lead for each Output?

Who should support for each Output?

Other considerations?

Opportunities for Collaboration

Group Discussion:

Where is the overlap of roles and responsibilities?

What collaborations already exist?

How can new collaborations develop?
