Economic and Social Commission for Western Asia (ESCWA)

Statistical Committee
Thirteenth session
Beirut, 29-30 January 2019

Item 4 of the provisional agenda

**Activities implemented in the field of statistics**

Item 4 of the provisional agenda contains five sub-items for discussion by the Statistical Committee with reference to the following documents:

1. Follow-up on recommendations made by the Statistical Committee at its twelfth session and previous recommendations (E/ESCWA/C.1/2019/3(Part I)).
2. Activities under the programme of work (E/ESCWA/C.1/2019/3(Part II)).
3. Technical cooperation activities (E/ESCWA/C.1/2019/3(Part III)).
4. Activities of the Technical Advisory Group on Economic Statistics (E/ESCWA/C.1/2019/3(Part IV)).
5. Activities of the Technical Advisory Group on Demographic and Social Statistics (E/ESCWA/C.1/2019/3(Part V)).

All activities undertaken by the ESCWA secretariat in the field of statistics are interlinked under an integrated framework that includes normative work, technical cooperation activities, and building consensus in specialized technical groups. Those various activities have been presented separately under the five sub-items for clarity and to avoid duplication in reporting on implementation.
