ECONOMIC COMMISSION FOR WESTERN ASIA

Seventh session
19-24 April 1980
Baghdad - Iraq

Item 3 of the provisional agenda

The Financial Status of the Commission's Programmes
Extra-budgetary Resources Supporting the Commission's Programmes

80-3145

INTRODUCTION

This document supplements document E/ECWA/100 which in Appendix I lists the status of Trust Funds as at 31 December 1979. It describes the utilization of the Trust Funds in terms of programme and project activities. In addition, the projects financed by the Voluntary Fund for the United Nations Decade for Women are also included. It is the intention to issue annually this document as a supplement to the secretariat's Financial Report to the Commission. Future issues will deal with all extra-budgetary resources available to the Commission.

GOVERNMENT OF SAUDI ARABIA

Programme: 460 Natural Resources.

Subprogramme: 463 Water Resources.

Activity: Regional Water Meeting (completed).

Source of Funds: Government of Saudi Arabia.

Description: The substantive preparations for ECWA's Second Regional Water Meeting held in Riyadh, Saudi Arabia from 30 December 1978 to 3 January 1979 - were carried out in the context of the project entitled "Follow-up on the Recommendations of the Regional and International Water Conference in co-operation with member States of ECWA" (Work Programme and Priorities 1978-1979). The meeting was attended by representative of member States, States not member of the Commission, regional Arab organizations and international organizations. As regard to the establishment of a regional water resources council, the meeting decided that an ad hoc intergovernmental committee composed of representatives who attended the meeting be created for the purpose of studying the possibility of establishing a regional water resources council.

Publication(s): E/ECWA/NR/CONF.3/13: Report of ECWA's Second Regional Water Meeting.

Resource Allocation: \$ 36,000

GOVERNMENT OF QATAR

Programme: 530 Social Development

Subprogramme: 532 Human Resources Development and Social Integration.

Activity: Study of the Palestinian Arab People (on going).

Source of Funds: Government of Qatar.

Description: This activity consists of a study of the economic and social situation and potential of the Palestinian Arab People. The study covers an analysis of the geographical distribution, the age and sex structure, demographic growth, international migration flows and future trends as well as the legal and administrative status of the Palestinian Arab people in Arab host countries. It will further include surveys of the economic, social and cultural institutions and activities carried out under the aegis of the Palestine Liberation Organization.

Publication(s): Upon completion of study.

Resource Allocation: \$ 142,757
=====

GOVERNMENT OF THE YEMEN ARAB REPUBLIC

Programme: 210 Food and Agriculture

Subprogramme: 213 Agricultural and Rural Institutions.

Activity: Study of Crop-sharing and Land-tenancy practices in the Yemen Arab Republic (on going).

Source of Funds: Government of the Yemen Arab Republic.

Description: The immediate objectives of the study which is being carried out through field surveys are to:

- recommend specific cost-sharing terms between land owners and tenants as alternatives to existing crop-sharing arrangements so as to induce the use of yield-increasing inputs in agriculture in the Yemen Arab Republic;
- review available information and survey the system of land tenure and tenancy practices;
- analyse the information obtained from field surveys and identify the individual or combined effects of factors affecting incentives for tenants to adopt yield-increasing techniques;
- document and analyse various systems of tenancy which could be adopted in the country's agricultural areas;
- recommend the most appropriate arrangements for implementation of new tenancy systems in the different agricultural regions of the country.

Publication(s): Upon completion of study.

=====

GOVERNMENT OF THE NETHERLANDS

Programme: 290 Human Settlements.

Subprogramme: 291 Human Settlements Planning.

Activity: Associate-Experts in Social Development (completed).

Source of Funds: Government of the Netherlands.

Description: Activity entails research in connexion with the Human Settlement Programme including evaluation of master, physical and towns plans in the ECWA region and evaluation of national housing policies and programmes. Activity included also research related to programmes and projects for integrated human settlements with particular emphasis on developing appropriate standards for physical planning and shelter sufficiently adopted to local culture and community needs.

Publication(s): not applicable.

Resource Allocation: \$ 52,237
=====

Programme: 510 Development Finance and Administration.
Subprogramme: 511 Mobilization and Management of Financial Resources and Improvement of Administrative Capabilities for Development.
Activity: Subregional Training Programme in Public Finance and Administration (on going).
Source of Funds: Government of the Netherlands.

Description: Activity consists of training programmes conducted at the country level in each of the three beneficiary countries Democratic Yemen, Oman, and Yemen Arab Republic. The programmes - of one month duration each - deal with the following specific issues:

- Problems of government budgeting and taxation in the Yemen Arab Republic;
- Problems of budgeting in the public sector and field training in customs administrations in Democratic Yemen;
- Fiscal Problems in the Sultanate of Oman.

Services offered under the project will consist of:

- Advisory services to government agencies in the Democratic Yemen on specific problems related to public budgeting with emphasis on the budgets of public enterprises and utilities;
- Advisory services to relevant government agencies in the Sultanate of Oman on the present organization, duties and activities of the Directorate General of Finance in the light of the new fiscal system;
- Advisory services to both Democratic Yemen and the Yemen Arab Republic on customs administration.

Publication(s): Upon completion of project.

Resource Allocation: \$ 69,900
=====

Programme: 540 Statistics.
Subprogramme: 541 Development Statistical Services.
Activity: Harmonization of national statistical systems (on going).
Source of Funds: Government of the Netherlands.

Description: This project consists of studies in foreign trade and industrial statistics and will include:

1. Studies on the prevailing methods of collection, compilations and dissemination of foreign trade and industrial statistics in selected countries of the ECWA region. As a result, reports will be prepared concerning the non-availability and the lack of standardization and harmonization of statistics in these countries. Proposals will be presented for the improvement at the national and international levels;
2. Analyses with the collaboration of the Statistics Unit of ECWA of the national reports prepared by the countries on the applicability of their statistics to the United Nations standards of classifications; and

The reports resulting from these studies will be used as basic documents to be submitted to an expert-group meeting on harmonization of national statistical systems in the ECWA region which will be held in mid-1980. The reports will further be utilized for the preparation of training material for collection and classification of statistics.

Publication(s): Upon completion of studies.

Resource Allocation: \$ 29,500
=====

Programme: 550 Transport, Communication and Tourism.

Subprogramme: 551 Development of Integrated Transport.

Activity: Assistance in integrated transport planning (on going).

Source of Funds: Government of the Netherlands.

Description: Under this activity the following consultancy services will be rendered to the secretariat:

1. Finalization of the master plan for integrated transport in the ECWA region;
2. Formulation of project proposals and preparations for the intergovernmental meeting scheduled for February 1980;
3. Participation in the intergovernmental meeting ;
4. Assisting ECWA in drawing the work programme for the follow-up envisaged.

Publication(s): E/ECWA/TRANS.2/Rev.1 - towards an Integrated Transport Plan - a review.

Resource Allocation: \$ 49,114

Programme: 550 Transport, Communications and Tourism.

Subprogramme: 551 Development of Integrated Transport.

Activity: Expert in port and harbours development (completed).

Source of Funds: Government of the Netherlands.

Description: This activity pertains to the assistance of a consultant in merchant marine. The purpose was to study the situation of national and multinational shipping companies and to formulate suggestions for the improvement and development of their activities including a priority list of projects which may be undertaken at regional and subregional levels.

Publication(s): Development of an Integrated Transport System for Western Asia - Part I March 79, Part II June 79.

Resource Allocation: \$ 47,001

TRUST FUND FOR ECWA REGIONAL ACTIVITIES

Programme: 110 Executive Direction and Management.

Subprogramme: 113 Programme Planning and Co-ordination.

Activity: Study of an organizational framework for regional co-operation and co-ordination (not yet commenced).

Source of Funds: Trust Fund for ECIA Regional Activities.

Description: This activity will entail the formulation of practical approaches towards strengthening co-operation and co-ordination among regional institutions. It consists mainly of a survey of co-operative arrangements necessitating consultations with the League of Arab States and associated bodies so as to develop concrete and practical co-operation arrangements between these bodies and the Commission.

Publication (s): Upon completion of study

Resource Allocation: \$ 24,600
=====

Programme: 110 Executive Direction and Management.

Subprogramme: 113 Programme Planning and Co-ordination.

Activity: Study on the establishment of subsidiary bodies of the Commission (on going).

Source of Funds: Trust Fund for ECWA Regional Activities

Description: The Study on the establishment of subsidiary bodies consist of the following elements:

- A survey of intergovernmental bodies and their subsidiary organs in the ECWA region;
- A survey of the intergovernmental structures of regional commissions;
- Consultations with governments;
- Conclusions drawn from the consultations with governments;
- Consultations with the Arab intergovernmental organizations, ECA as well as with those international specialized agencies in whose purview subsidiary bodies will be proposed to the Commission;
- Formulation of draft proposals for establishment of subsidiary bodies; and
- Formulation of rules of procedure of proposed subsidiary bodies.

Publication (s): Upon completion of study

Resource Allocation: \$ 10,500

Programme: 210 Food and Agriculture
Subprogramme: 211 Integrated Agricultural Planning.
Activity: Advisory services in agricultural projects identification, formulation and evaluation (complted).
Source of Funds: Trust Fund for ECWA Regional Activities.

Description: The objective of this activity was to render technical assistance to the countries of the region in all matters pertaining to the various phases and aspects of identification, formulation and evaluation of agricultural projects; to participate in identification missions with respect to agricultural projects; and to analyse at the country, regional and subregional levels agricultural projects from economic and financial point of view.

Publication (s): Advisor's reports.

=====

Programme: 210 Food and Agriculture

Subprogramme: 213 Enhancing Food Security.

Activity: Seminar on Food Security (completed).

Source of Funds: Trust Fund for ECWA Regional Activities.

Description: This Seminar was jointly organized by ECWA and the Institute for Arab Studies and Research (Cairo). The general objective of the meeting was to shed light on the state and problems of food production, consumption and human nutrition in the ECWA region. The major impediments to the achievement of a higher rate of growth of food production; improved nutritional standards and the obstacles hindering higher levels of food production and improved human nutrition in the developing countries were the main topics discussed at this meeting. The meeting was held in Kuwait from 8-13 April 1978.

Publication (s): November 1977 - "Food Security Aspects of Arab Trade in Agricultural Commodities".

Resource Allocation: \$ 5,000
=====

Programme: 330 Industrial Development.

Subprogramme: 332 Development of Selected Industrial Branches.

Activity: Identification of industrial regional projects (completed).

Source of Funds: Trust Fund for ECWA Regional Activities.

Description: This activity constitutes a contribution to a study in the regular work programme dealing with the development of new and existing engineering industries (electrical, chemical and heavy construction material). Such industries are characterized by their need for high-level technologies and know-how requiring special emphasis on development, transfer of technologies and manpower skill. The project included a survey of investment, labour and technological requirements and entails visits to major international companies in Europe.

Publication (s): "Prefeasibility Study on the heavy electrical equipment manufacturing in the ECWA region" (restricted).
