ECONOMIC COMMISSION FOR WESTERN ASIA

Fourth session
24-29 April 1977
Amman, Jordan

Joint CTNC/ECWA Unit
on Transnational Corporation
(Programme of Work and Priorities for 1977
and the biennium 1978-1979)

77-905

This document presents the necessary revisions introduced in that part of document E/ECWA/44/Add.1 dealing with the 1978-1979 work programme of the joint ECWA/CTNC Unit owing to reductions in the expected allocations to the Commission's programme in Transnational Corporations. The amendments have been jointly examined and finalized with the United Nations Centre on Transnational Corporations with a view to ensuring the necessary co-ordination of efforts between ECWA and the Centre and to complementing the work of the Centre as approved by the Economic and Social Council.

As a result of the reduced budgetary allocations, some of the sub-programmes and programme elements have had to be cancelled from the 1978-1979 work programme of the Commission in this field. These amendments are briefly ... depicted in the attached table.
