Item 3 of the Provisional Agenda

THIRD GENERAL CONFERENCE OF THE UNITED NATIONS
INDUSTRIAL DEVELOPMENT ORGANIZATION

(Note from the Executive Secretary)

1. The Third General Conference of the United Nations Industrial Development Organization was held in New Delhi, India, between 21 January and 8 February, 1980. It took place shortly after the Fifth Conference on Industrial Development for Arab States, which was held in Algiers between 16-20 November, 1979 by the Industrial Development Centre for Arab States. The Commission participated actively and effectively in the preparations for the Algiers conference.
2. The Third General Conference of the United Nations Industrial Development Organization was held too recently for an analysis of all its results to be completed. However, conference recommendations which are related to Commission members or which could affect the work of the Commission in the future will receive from the Commission the same special consideration accorded other international meetings under item 7 of the provisional agenda of the seventh session.
3. Accordingly, it is proposed that another sub-item be added to item 7 of the provisional agenda entitled:

"(h) Third General Conference of the United Nations Industrial Development Organization."
