The highest inflation rate in the region for the third quarter of 2016 was recorded by Sudan and reached around 8%, mostly attributed to price increases in "Food & Beverages".

Egypt experienced the second highest inflation rate of 4% during the third quarter of 2016, also mostly related to a price increase in "Food & Beverages".

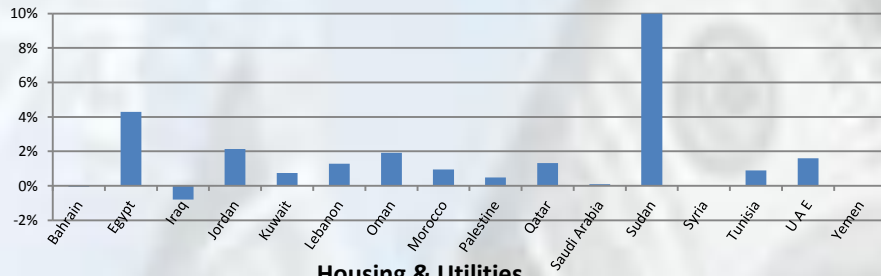

Bahrain, on the other hand, recorded a deflationary rate of around 0.1% mostly attributed to a sharp price decrease in 'Furnishing & Equipment'.
